

Image Credits & Licensing

Newfield Construction · newfieldconstruction.com

Nearly all photography on this website is Newfield Construction's own project and staff photography. The site also uses **two licensed stock images**, both held under valid Standard (royalty-free) licenses. License records are on file and available on request.

Licensed stock images used on this site

Where used	Image	Source & ID	License & proof
Home page — hero banner	Hartford, CT skyline at dusk	iStock by Getty Images File #478718780	Standard (royalty-free) Licensed to Technology On Call Order #2092792814 · Invoice #18645202 (Aug 23, 2023)
Services page — Building Information Modeling (BIM) section	"Building piping systems" architectural visualization (artist: killykoon)	Adobe Stock File #616646903	Standard license Downloaded / licensed to the Technology On Call Adobe Stock account

Both images are confirmed licensed in their respective accounts: iStock (Getty) Download & Purchase history (invoice #18645202) and Adobe Stock License History. All other imagery on the site is original photography owned by Newfield Construction.

Prepared by Technology On Call (technologyoncall.com) for Newfield Construction. Current as of this document's date.
